Servers:

This is the Christmas season and many servers are away from home during part of this time. Please be generous and willingly substitute if another server asks you to serve for her or him. Be alert at Mass and volunteer to serve if there is a shortage at the mass you are attending; just look to see if two candles are on the credence table before Mass starts or check in at the sacristy before Mass.

With so many people traveling we have to help each other out. The people of our parish are counting on you! So are the priests!!

!! Merry Christ and Happy New Year !!

Father Joe Ruiz
