

3rd Annual Donation Drive for Homeless Veterans

There is a high population of homeless veterans in Illinois currently and they depend on our generosity. MHR school will host a drive and all donations will be given to the Edward J. Hines Hospital where they give the homeless veterans the opportunity to shower, wash their clothes, collect food and obtain other necessities. Your generosity is greatly appreciated. Pre-school will be collecting body wash. Kindergarten will be collecting body wash. 1st grade will be collecting dishwashing soap. 2nd grade will be collecting shampoo. 3rd grade will be collecting body and hand lotion. 4th grade will be collecting bars of soap. 5th grade will be collecting clorox or lysol wipes. 6th grade will be collecting hand soaps. 7th grade will be collecting toilet paper and paper towels. 8th grade will be collecting deodorant.

We are asking each grade to donate one item as designated per grade. Please bring in all donations by Thursday, October 27.
